Pe-ru-na is of Great Benefit,"

Delegate R. W. Wilcox From Hawaii.

Hon, Robert W. Wilcox, Delegate from Hawaii and the Sandwich Islands, in a letter written

"I have used Peruna for dyspepsia and I cheerfully give you this testimonial. Am satisfied if it is used properly it will be of great benefit to our people. I can conscientiously recommend it to anyone who is suffering with stomach or catarrhal trouble .- R. W. WILCOX.

Miss Sara McGahan, 197 Third street, Albany, N. Y., writes:

"A few months ago I suffered with a severe attack of influenzs, which nothing seemed to relieve. My hearing became had, my eyes became irritated and feverish. Nothing seemed right, and nothing I attasted good.

"I do not know what Peruna is made of, but I know it is a wonderful medicine to drive away sickness and restore you to health. Within two woeks I was perfectly well, and now, when any of my friends are sick, I advise them to take Peruna."—Sara McGahan.

Mr. Benjamin D. Bowers, tailor, corner of Bank and Queen streets, Ottawa, Out, writes as follows:

"Last winter I caught a severe cold, which seemed to settle all over me. I did not know just what the trouble was; my head and back ached, my stomach refused food, and my general health seemed impaired.

"A catarrhal phiesm raised from my

food, and my general health seemed impaired.

"A catarrhal phlegm raised from my throat and lined my stomach. Four bottles of Peruna did more for me than all the doctor's medicines had done, for it cured me, built up my entire system, and made me feel strong once more. Since that time I have never missed a meal, my sieep is restful, and my entire system in good condition."—Benjamir. D. Bowers.

Mr. William Ratagan, 166 River street. Detroit, Mich., is School Inspector of Wayne County, Quartermaster General, Supreme Commander of the Knights of St. John, He writes:

Commander of the knights of St. John. He writes:

"For years I dreaded the unseasonable winter wenther, with its shock-bringing colds and all kinds of trouble in its wake, and each winter I would have several weeks of sickness laying me up for part of the time, and I suffered a great deal with stomach trouble. Last winter I was advised to take Peruna, when I had the first sign of illness, and in less than a week I was like a new man. I could hardly believe my senses, and felt that I would have a relapse, but the winter and spring passed and not another sick day did I have, and I have been in perfect health since, thanks to Peruna."—W. P. Ratagan.

Enjoy Perfect Realth Due to Peruna.

Mr. Willis Hughes, President of the Century Bicycle Club of Crown Point, Ind., writes the following:
"Peruna is very popular in Crown Point, but I must say that it deserves all the praise it gets. There is natural prejudice here against patent medicines, but Peruna has quietly, yet permistently, worked its way into hundreds of homes, and is now a welcome visitor.

has quietly, yet persistently, worked its way into hundreds of homes, and is now a welcome visitor.

"I have found it an invaluable help, especially in cases of catarth. I suffered with catarth of the head and found that two weeks' treatment entirely cured me. I now enjoy perfect health, and Peruna has a stanch friend in me."—Willis Hughes.

There are some things which are as sure as fate and can be reited on to occur to at least one-half of the human family unless means are taken to prevent.

First, the climate of fall and winter is sure to bring colds; second, colds not promptly cured are sure to cause catarth; third, catarth improperly treated is sure to make life short and miserable.

Catarth spares no organ or function of the body. It is capable of destroying sight, taste, smell, hearing, digestion, secretion, assimilation and excretion. It pervades every part of the human body—head, throat, stomach, bowels, bronchial tubes, lungs, liver, kidneys, bladder and sexual organs.

Catarth is the cause of at least one-half of the ills to which the human family is subject. Is there no way to escape from it? There is.

FIGHT TWO-DOLLAR JUDGMENT. Millionaire Pell Objects to Paying a Subpoena Bill.

REPUBLIC SPECIAL

New York, Nov. 15.—Because of his objection to an entry of \$2 in a judgment con-cerning a sale of property for \$35,000, Al-fred Pell has resisted the payment of a judgment of \$4,115.68. Mr. Pell is reputed to be a millionaire, but he objects to paying the \$2 on the ground that the charge is in-

the \$2 on the ground that the charge is incorrect.

He owned the property at Thirty-fourth street and Broadway, and engaged Julian Benedict, a real estate dealer, to sell it for him. Mr. Benedict found a purchaser at the price agreed on \$25,000—then was obliged to sue Mr. Pell for the commission. Judgment was given in favor of Mr. Benedict and was entered on the files in the County Clerk's office.

Embodied in the bill of costs of the action filed with the judgment was an item of \$2. The item was for service fees. Two subpoenas were served upon Mr. Pell, requiring his presence in court as a witness for his opponent. When each of the subpoenas was served \$1 was handed to Mr. Pell, When the judgment was entered counsel for Mr. Benedict asked for the return of the \$2 as chargeable expenses of the action. Robert L. Stanton, counsel for Mr. Benedict, says he cannot understand why Mr. Pell should object to the item, inasmuch as Mr. Pell received the money in cash when the subpoenas were served.

ALEXANDER IS ACQUITED.

Texas Capitalist Is Held Not Guilty of Murder.

Dallas, Tex., Nov. 18.-C. H. Alexander, the Dallas capitalist, street railway pro-

moter and Beaumont oil magnate, has been acquitted on the charge of killing Major I. G. Randle on December 19, 1898.

The trial came to a sudden and surprising termination. The State, without calling all its witnesses, suddenly announced: "The State rests."

Great surprise was expressed, and it was hinted that much of the State's important documentary evidence, pistois, etc., had been stolen.

Mr. Alexander, who was recently convicted of arson, is still in jail awaiting action on application for a new trial.

STREET SWEEPERS SUE. Brooklyn Men Seek Wages Alleged to Be Due.

New York, Nov. 16.—Corporation Counsel Whalen of Brooklya reports that over 1.100 suits have been commenced in the Supreme Court against the city by street sweepers who claim to have been illegally suspended. These men seek to recover wages for the time they were suspended, about \$100 each. The claims are in the hands of one or two lawyers. No action has been taken regarding them as yet, and it is not known whether the city will confess judgment or fight.

Since the fact became public that the city was trying to compromise some of the suita, brought for damages done by overflowing sewers in Brooklyn last spring and summer, a large number of new claims have been filled, many by residents of the Bronz, who were injured just as property owners in Humboldt and other streets in this borough,

KEPT CLEAR OF THE TRAP.

Kidnapers Did Not Take the Envelope Left for Them.

velope Left for Them.

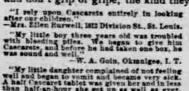

Cincinnati, Nov. 16.—Considerable feeling of apprehension has been caused in Avondale, in this city, by a supposed attempt at blackmail by threatened kidnaping.

Leonard & Smith, president of a manufacturing company, received a letter full of threats of alrocities to be committed on his 6-year-old son unless Mr. Smith would huy immunity with 50,000 cash.

The letter directed that the money be placed in an envelope and left at a designated point at an appointed time. Mry Smith took counsel and left an envelope, as directed, but with blank paper instead of money within, and placed a man on watch. Two men appeared, but did not take the envelope, apparently being satisfied that trap had been set for them.

Mr. Smith and his wife are greatly agitated, and their fear has been communicated to the neighborhood, who kept close watch over their children.

medicine is an injustice to the dear little innocents who can't protect them-selves, makes them peevish and afraid of the dose. When a child bates the medicine, it will not be effective. Children like Cascarete Candy Cathartic, ask for them and are kept healthy always and easily against the damages of childhood's ailments.

Medicine that a child dislikes, will not do it much good. Sensible parents will give the little darlings medicine that tastes good and does good,

and don't grip or gripe; the kind they like themselves.

Medicine forced on the little ones loses half its power. Nasty, sicher
